Graduation Held At Putnamville

Commencement exercises were held Friday evening in the Methodist church at Putnamville for sixteen members of the graduating class. A program was held in the church following a dinner served in the dining room of the school for the seniors and for all visitors.

Mrs. Everett Hansel, President of the Parent Teachers Association called the dinner meeting to order, after which the Rev. Lehman gave the invocation. Place cards had been arranged at the end of a long table for the members of the graduating class.

Following the dinner the friends and families of the seniors adjourned to the church where music was furnished by the orchestra and chorus of students, under the direction of Mrs. Richardson.

Mrs. Groner, principal, awarded several certificates to members of the classes for perfect attendance during the school year.

Mrs. Groner introduced Gene Hutchins who spoke briefly on the significance of the time for the seniors and what it will mean to them in the future. He said it is a special day in the milestone of their educational process. He said that a sure sign of one getting old is where nothing is learned and one lives in the past. He said "then school is out." Mr. Hutchins congratulated the school for having the largest class in its history at this graduation and then awarded the sixteen boys and girls their eighth grade diplomas.

HERE AND THERE

Albert Dobbs attended a luncheon in Crawfordsville given in honor of James A. Farley, postmaster general, who was enroute to Danville to dedicate a new post office building. Among other local men attending the luncheon were Fay S. Hamilton and Sanford Romine.

Miss Edith Greenleaf was admitted to the Putnam county hospital.

IN THE GOOD OLD DAYS

INTERNATIONAL—"The post-office has now a supply of the new two-cent international post-cards, which are similar to the others, only they can be sent to nearly any part of the civilized world, and are a great convenience as well as not so expensive as sending a letter, when a few lines are all that are necessary." (1880)

BRICK CHAPEL NEWS—"Our gravel road is in fine condition, and one can go from here to your town and not get their buggy wheels muddled. Would that we had more such roads in our county. It has raised the value of our lands from \$10 to \$15 an acre, and there is not a farm for sale on the pike, from Greencastle to the county line, 17 miles north.—Monroe township is the wealthiest township in the county outside of Greencastle.—Bascom O'Hair has gone to St. Louis with mules.

SALVATION ARMY—"A new thing in religious labor has just been inaugurated in New York, the first meeting having been held on last Sabbath night. The name of the band is the 'Salvation Army,' and the most of those composing it are from London, England. There are officers, Captains, Lieutenants, etc. in the band, and in carrying forth their missionary labor the band divides into twos, going to different parts of the city. In the regular service of the 'Army' they all collect on the stage or platform of the theater or public hall, where service is held, and open by singing, very much after the manner of many orthodox churches. After the service, a number of prayers are said aloud by the 'Army.' The 'Salvation Army' has existed for a number of years in London, and, is said to be the means, under God, of many conversions." (1880)

FEDERAL DEBT—"The public debt statements for the past several months show a remarkable decrease of the public debt, as will appear in the following figures for the months of January, February and March: Decrease during Jan. \$12,014,263 Decrease during Feb. 5,672,019 Decrease during March 13,719,396

Total decrease \$31,405,680

How long the revenue of the Government will render such large reductions possible it is impossible to predict, but just now it enables the Secretary of the Treasury to make up any deficit in the sinking fund which may exist at the present time.—The following figures will show the extent of the reduction: Amount of debt August, 1865 \$2,997,386,203 Amount of debt April 1, 1880 \$1,980,392,825 Decrease \$1,016,993,378 That is, in less than fifteen years the public debt has been reduced considerably more than one-third."

PHI DELTA THETAS—"The Phi Delta Thetas are making a fourth effort to establish their fraternity here. A. Weatherly of the State University, and C. Ford of Butler University, have been here engineering the enterprise." (1880)

U.N. GIVES OK TO CANAL PLAN OF EGYPTIANS

SUEZ OPERATION RECEIVES APPROVAL AT FRIDAY'S SESSION

UNITED NATIONS, N. Y. (UP)—Egypt emerged the clear-cut winner in the first United Nations session on its new plan to operate the Suez Canal, Western diplomatic sources said today. They said that as long as President Gamal Abdel Nasser abides by the terms of the document he registered here as an "international instrument," he probably would run into no more organized opposition from the West.

Although the United States and several other nations reserved the right during the Security Council meeting Friday to make further remarks about the document, no further U. N. discussions were scheduled.

Not a single nation publicly came to the support of Russia's charge during the Security Council meeting that the United States sought to "show the fist" to the Middle East with its 6th Fleet.

Soviet delegate Arkady A. Sobolev also charged that the West "dragged out the scarecrow of international Communism" in Jordan.

U. S. Ambassador Henry Cabot Lodge quickly dealt with the charges.

"There is nothing in the Eisenhower Doctrine which need bother anyone who does not contemplate violent deeds," he said. "If the Soviet delegate did not harbor dreams of domination and of subversion of suffering peoples, similar to the monstrous Soviet subversion of Hungary of tragic memory, he would not be bothered by these American undertakings."

RESTAURANT DOOR IS FOUND OPEN EARLY SAT.

City police found the north door on Vine street of Irene's restaurant open early Saturday morning. Whether it had been left unlocked by some of the employees Friday evening during the dinner hour was not known, but nothing was missing nor had anything been disturbed.

Fire Destroys Garage Saturday

City firemen were called to the Clarence Bird home on south Jackson street at Seminary, at three o'clock Saturday morning when fire started in the garage.

The building was practically destroyed. There was no car in the garage at the time. The only casualty was a big rabbit which was confined in a hutch along side the garage wall. Firemen discovered the rabbit was badly burned on his back and was destroyed.

The origin of the fire was undetermined, but apparently came from defective electric wiring. However, the lights turn on from the house and Mr. Bird who was asleep, did not know of the fire until the department arrived.

Strike Is Averted For Time Being

NEW YORK (UP)—The Pennsylvania Railroad obtained a temporary restraining order Friday against a threatened strike by some 20,000 member of the Transport Workers Union.

Michael J. Quill, union president, had announced that 52 locals representing maintenance and other non-operating employees voted overwhelmingly to go on strike at 12:01 a. m. E.S.T. Tuesday. He said the walkout would affect service from New York to St. Louis.

The order obtained in U. S. District Court in Philadelphia forbade the strike and directed the TWU to appear in Philadelphia next Friday for a further hearing.

GREENCASTLE GRADS TO HEAR INDUSTRIALIST

G. W. THOMPSON SECURED AS H. S. COMMENCEMENT SPEAKER

Glenn W. Thompson, President of Arvin Industries, Inc., Columbus, Indiana, has been secured to speak at the 79th annual Commencement Exercises for the Greencastle High School Class of 1957, May 23rd, at 8 p. m.

Mr. Thompson is a graduate of Indiana University in 1922 and later returned as a teacher in the Columbus High School. He became associated with Arvin Industries in 1924 and spent several years traveling over the United States selling Arvin products. He was elected president of the Company in 1945 and in 1954 was chosen chairman of the board while continuing to serve as president of Arvin Industries.

Mr. Thompson has been active in the Methodist Church and in civic affairs of the community and state. He has served as a trustee of DePauw University and is presently Chairman of the Board of Trustees.

Mr. Thompson is past president of the Columbus Chamber of Commerce, of the Bartholomew County Chapter of the American Red Cross, Columbus Foundation for Youth and the Columbus Rotary Club. He has for many years been a director of the Indiana State Chamber of Commerce and in December of 1955 was elected president of this organization, and in this capacity he is now serving. In June of 1955 Mr. Thompson was awarded an honorary degree of L. L. D. by Franklin College where he was a former student.

Mr. Thompson has served as director of the First National Bank of Columbus, and of the American Fletcher National Bank and Trust Company at Indianapolis.

Arvin Industries, of which Mr. Thompson is president and chairman of the board, operates 15 factories in south central Indiana. The average employment of the company is approximately 4,400.

Glenn Thompson is well-known by many people in Greencastle—his association with DePauw University and his interest in the community of Greencastle is well-known. His rich background in education, church work and industry make him a valuable asset as a speaker for both adults and young people.

Little Leaguers Met Last Night

Managers, coaches and interested persons gathered in the Lions building on Friday evening to hear Harry "Skip" Shuler of the athletic dept. of Wabash College talk on the organizing of Little League Baseball teams. In his interesting talk, Coach Shuler covered the basic fundamentals of coaching, spring training, organization of teams, etc. W. A. Unsworth presided.

All boys already registered for the Little League teams have had letters sent to their parents explaining the purposes and aims of the Little League. According to Unsworth, approximately \$859 is needed to buy equipment and to get the League functioning. In addition 50 funds contributed by the parents of the members of the Little League, assistance is needed by the contributions of public spirited citizens, who want to help these boys under 12

The parents organization for the education of handicapped children met at the Christian church Wednesday. Gene Hutchins, County Supt. of Schools addressed the group. Dr. Clinton Green of DePauw also attended and gave a word of encouragement.

In order to establish special education in the county schools certain state requirements must be met. Parents of handicapped children are urged to register their children immediately. Call Edgar Steel, 7109-J for further information.

The group is desirous of obtaining immediate action and can not do so without the full cooperation of parents.

Texas Lashed By Twisters, Floods

DALLAS (UP)—Texas patched its soggy wounds today and awaited another blast of the relentless storms that have averaged more than a death a day since they began nine days ago. Flash floods swarmed through streets in Dallas and Fort Worth Friday, sending thousands fleeing from their homes when water rose to four feet in living rooms.

Tornadoes howled through east Texas, wrecking homes and injuring six persons.

Three persons died in the floods that washed over thousands of miles of Texas Friday,

bringing the toll to ten dead since the torrential rains and tornadoes roared into the state last Friday.

The six injured in a tornado that ripped through Tyler brought the toll of injured in tornadoes during the nine-day period to 43.

High water from Fossil Creek caused Fort Worth police to evacuate between 300 and 500 persons.

The Austin Weather Bureau reported a "serious flood situation" developing on the Little River near Belton, which suffered heavily from a flood earlier in the week.

Union Faces Probe By Seattle Jury

SEATTLE, Wash. (UP)—County Superior Court judges voted Friday to convene a grand jury May 20 to investigate alleged corruption and misuse of union funds by Seattle-area union officials.

Teamsters' Union boss Dave Beck, who in recent weeks has said he would welcome a "day in court," has an office here in addition to his union presidential suite in Washington, D. C. Frank Brewster, chairman of the union's western conference, also has headquarters in Seattle.

Beck and Brewster were witnesses before recent sessions of the Senate Labor Rackets Investigating Committee. Beck said then that permitting the committee to look at his personal records might "very definitely" tend to incriminate him. He also refused on the ground of possible self-incrimination to answer charges that he misappropriated \$320,000 in union funds.

PLAN MAY BREAKFAST

The ladies of Windy Hill Country Club are starting the season with a "May Breakfast" to be held at the club house next Wednesday, May 1, at 9:30 a. m. The breakfast will be followed by bridge and canasta.

Mrs. Joe Crosby and Mrs. Maynard Shonkwiler are co-chairmen of the event. The committee consists of Mrs. Fletcher Conrad, Mrs. Art Letzler and Mrs. Marion Wilson. Reservations for the breakfast should be made with Mrs. Crosby or Mrs. Shonkwiler by next Monday.

Sets Midnight As Closing Hour

INDIANAPOLIS, (UP)—All Indiana taverns must stop liquor sales at midnight beginning next Monday.

Atty Gen. Edwin Steers ruled that effect late Friday in an opinion asked by chairman Nobil Ellis of the Indiana Alcoholic Beverage Commission. Ellis sought to clarify the effect of a new state law requiring the state to operate on Daylight Saving Time beginning April 28.

The ruling, for about half the state which has been operating on "fast" time during winter months, means closing an hour earlier. The rest of the state—roughly the western half—has had midnight closing hour and will continue to have.

College Students To Give Recitals

Student recitals have been scheduled for Sunday and Monday, April 28 and 29, by the School of Music at DePauw University.

Jerry Williams of Bedford, will present his senior organ recital at 8:15 p. m. Sunday in Gobin church, and baritone Richard Turner, Palmyra, Wis., will appear at 8:15 p. m. Monday in the Union ballroom.

Fulfilling a requirement for the bachelor of music degree in organ, Williams will perform works by Handel, Bach, Franck, Sowerby, Clerambault, Widor and other composers.

Included will be Handel's Prelude and Fugue in F Minor, Choral No. 2 in B minor by Frank, two chorales by Bach, Sowerby's "Carrillon," said the "Toccata" from Widow's Fifth Symphony.

Accompanied by pianist-professor Franz Bodfors, Turner will sing three sets of numbers, including Dichterliebe, Op. 48, by Schumann.

Other vocal compositions will include Bach's "Mighty Lord King," "Hear Me! Ye Winds and Waves" by Handel, and Vaughan Williams' "Silent Noon."

TRACTOR CRUSHES LAD

BERNE, (UP)—Tommy Neuen-schwander, 4, was killed Friday when a farm tractor driven by his father crushed him on the family farm near here. Tommy's father, Phillip, told authorities he lost control of the implement and it ran over the boy as he stood nearby.

HOOSIER FOUND DEAD

HONOLULU, Hawaii (UP)—The body of a woman identified tentatively as Annabelle G. Lewis, Indianapolis, was found on a side-walk on the ocean side of the Edgewater Hotel here Friday.

Detective Lt. C. D. Honan said authorities were unsure whether the woman jumped or fell from the sixth floor of the hotel.

Body Is Found On Sand Bar

Searchers recovered the body of Mrs. Ethel McGaughey, 70, of Crawfordsville, widow of Attorney Arthur M. McGaughey, from Sugar Creek about 2:35 p. m. Friday, a little more than a week from the day she was believed to have drowned.

The body of the 70-year-old woman had lodged on a sandbar about a mile west of the bridge over which the Black Creek Valley Road bridge crosses the stream west of Crawfordsville.

CENTURY CLUB ENJOYS 65TH ANNIVERSARY

Officers of the Century Club and the committee which arranged the 65th birthday anniversary meeting are shown above. They are Mrs. Lawrence Goodhue, chairman, right; Mrs. Harry D. Moore, president; Mrs. John Wittich, Mrs. Frank McKenna, Mrs. Wallace Graves, Miss Lela Walls, and Mrs. Woodrow Most. Absent were Mrs. Reid Winsey and Mrs. William P. Luther.

The nearly week-long search, in the creek—part of the time rising—was dragged, had not been concentrated downstream.

Harold Mike Hesser, Guy Purdue and William Williams recovered the body after learning that the previous day William Crane, who resides in the neighborhood, had been fishing near there and found a piece of cloth believed to be from wearing apparel.

Mrs. McGaughey had been in ill health in recent months and relatives said was despondent since the death of her husband a year ago.

She had lived in Crawfordsville since 1912 and married Mr. McGaughey Sept. 24, 1913.

Surviving are three sons, all Crawfordsville businessmen—Robert M. Richard V., and Warren A. McGaughey; an uncle, Bert Riggs of Metcalf, Ill.; five grandchildren and several cousins.

Funeral services will be held at 11:30 a. m., CDT, Monday at the Proffitt and Brown Funeral Home, with Dr. J. Harry Cotton officiating. Burial will be in the Masonic Cemetery.

Athenians Nose Out Tiger Cubs

Greencastle's Tiger Cubs captured eight first places to Crawfordsville's five Friday afternoon but depth in the various events enabled the Athenians to win, 56 to 53, up at Crawfordsville.

John Ray won the pole vault and high jump and placed second in the broad jump.

Harold Williams took the 100 and 220 yard dashes and was third in the broad jump.

Phil Ballard was first in the half mile and Jack Shonkwiler won the mile run.

Ned Wright was second in the

440 and the high jump. The Greencastle relay teams won both the half-mile and mile relays.

Actually, luck had nothing to do with this hand. Mr. Bull should have made his contract.

West opened the seven of hearts, East put up the ten, and Mr. Bull won with the jack.

Mr. Bull saw that he needed at least three diamond tricks, and he went after them in characteristic style. He first led a diamond to dummy's ace, plugging himself on this safety play. The idea was to avoid losing to a singleton queen.

Mr. Bull returned to his hand with a club and led the ten of

diamonds for a finesse. This lost to the queen, and back came a heart. Four heart tricks then defeated the contract.

NO FINESSE NEEDED

Mr. Bull missed the true point of the hand. He needed only three diamond tricks and wanted to prevent East from gaining the lead. The correct play is to take both of dummy's top diamonds, not just one of them. This shuts East out if he has the singleton or the doubleton queen.

have made all five diamond tricks. He would have taken 11 tricks instead of only eight.

If the queen failed to drop, South could lead a third diamond. There would be no danger if West won that third diamond. If East won the third diamond, there would be danger, of course, but South would have nothing to reproach himself for.

DAILY QUESTION

As dealer, you hold: S—A 5 3 H—K Q 5 D—10 9 7 C—A Q J 8. What do you say?

Answer: Bid one no-trump. This bid shows 16 to 18 points, balanced distribution, and stoppers in at least three of the four suits. It is poor policy to begin with one of a suit when you have the requirements for an opening bid of one no-trump.
